Sir:

PETITION TO CORRECT INVENTORSHIP UNDER 37 CFR 1.48(b)

This petition is submitted to correct the inventorship of the above-identified application.

The correct inventors were named in this application when filed. The prosecution of this application has resulted in the cancellation of composition claims 55 and 57 so that only two of the three originally named inventors are the actual inventors of the claimed invention.

Dr. J. E. Arrowsmith is the inventor whose name is being deleted since his invention is no longer being claimed in this application in amended compound claims 1-5, 7-11, 13-17, 19-23, 25-29, 31-35, 37-41, 44-48 and 50-54.

Please charge the petition fee of \$120.00 to Deposit Account No. 16-1445. Three copies of this sheet are enclosed.

Respectfully submitted,

Date: April 20, 1990
